III Attestation

I, the undersigned Official Veterinarian, do hereby certify that:

1. Finland has been free from Foot and Mouth Disease and Rinderpest for six months prior to the date of slaughter of the animals and the date of export of the product to Singapore;
2. the animals, from which the meat was derived, were subject to *ante-mortem* and *post-mortem* examination and were found to be free from infectious and contagious diseases;
3. the meat was derived from animals slaughtered and processed in a hygienic manner under official veterinary supervision in the above-mentioned establishments approved by the Director-General, Food Administration for export to Singapore;
4. the meat has not been treated with chemical preservatives or foreign substances injurious to health; and
5. the meat was found fit for human consumption and every precaution have been taken to prevent contamination prior to export.
